

Official Verification Notice – Eligibility for the Meta Verification Badge

Congratulations! Your account meets all the criteria for the Meta Verification Badge and is eligible to upgrade to a verified account.

Complete the verification process here:

[Submit request](#)

To activate the badge, verification must be completed within 24 hours.

☀ Benefits of the Verification Badge for Brands and Public Figures:

- Strengthens your brand and improves your professional image in the eyes of customers and followers.
- Increases credibility in business partnerships and opens up opportunities for advertisers.
- Improves visibility in publications, comments and organic content.
- Advanced protection systems that significantly reduce phishing attempts.
- Faster and more accurate support from the Meta team for all account-related issues.

Failure to complete verification on time may result in disqualification.
